RESPONSE TO REQUIREMENT FOR RESTRICTION

This is in response to the Office Action mailed
13 December 2004.

REMARKS:

Pursuant to the requirement for restriction, applicants
hereby elect the invention classified in Group I to which claims 1-
10 are drawn, namely the article.

The requirement for restriction is respectfully
traversed.

Claim 11 directed to the method of making the article
recites all of the structure of claim 1 as to the article made, and
thus defines a method which cannot be used for any purpose other
than the making of the article.

The method involves all punching or cutting a bendable
sheet to form the outer conductive sleeve and applicants are by no
